Mr. Kendrick stated, "It is an exciting time to be a part of the Accuride story as we continue to grow the company into a global leader in wheel and wheel-end solutions to better serve the needs of our diverse customer base. Mr. Luo, who also serves as a Senior Advisor to Crestview Partners, the majority owner of Accuride, will step down as Interim CEO and take on the role of Chairman of the Board of Directors, replacing Crestview Co-Founder Thomas S. Mr. Luo stated, "Robin has brought extensive global experience and leadership to the board since he joined. We are thrilled that he will now serve as Accuride's CEO and I am excited to continue to support him as he leads the talented Accuride team to execute on our long-term vision for the company.
